

7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.

BEST PRACTICE 1

Title of the Practice:

Beautician training for startup and becoming an entrepreneur

Objective of the Practice:

To develop entrepreneurial skills among students.

To motivate students to start their own business and become an entrepreneur.

This practice will boost the confidence of female students, by which they can start their small start-up

Context:

These activities can bring confidence in female students and are necessary for the holistic development of students

The Practice:

Beautician training session was conducted by LAKME ACADEMY Vapi, by SSIP cell. On 16.09.2024. Expert faculties and trainer visited our institution for providing training to female students. Our Students really liked the training session and learnt many things out of it.

Evidence of Success:

The Annual Report of SSIP can testify the success of the practice.

Problems Encountered and Resources Required:

Problems:

- It requires a lot of time management to arrange all these activities amidst academic and curricular activities.

Resources Required:

- Not extra resources are required.
- All these activities are conducted using the existing infrastructural facilities of the college.

BEST PRACTICE- 2

Title of the Practice:

Extension Activities

Objective of the Practice:

To make students aware of their social obligations and turn them into responsible citizens.

Context:

Extension activities can make students better civilians and they are necessary for the holistic development of students.

The Practice:

The NCC and NSS committees conduct most of the extension activities of the college.

Evidence of Success:

The Annual Reports of both the committees can testify the success of the practice.

Problems Encountered and Resources Required:

Problems:

Extension activities demand a lot of time and therefore it requires a lot of time management to arrange all these activities amidst academic and co-curricular activities.

Resources Required:

- Not extra resources are required.
- All the extension activities are conducted using the existing infrastructural facilities of the college.
